**Subject: Invitation to grace India's biggest virtual conference-
2nd Elets India Transformation Summit & Awards, 16 & 17 September 2021 as 'KEY SPEAKER'.**

Dear Sir,

Greetings!

I am glad to inform you that after the immense success of its first edition, we are now going to organize the **2nd Elets India Transformation Summit & Awards on 16 & 17 September 2021 through a virtual platform.**

2nd Elets India Transformation Summit & awards will bring together Key Officers and Policy Makers from Government of India & State Governments, Policy Think Tanks and Industry Leaders on a common platform to come together and discuss the issues, challenges and transformational opportunities beckoning New India.

The past one year has seen the impact of the Covid-19 pandemic on the functioning of government departments. However these departments were resilient enough to quickly respond to the crisis and come out with effective & innovative solutions. New trends have been set and a new work culture is now being seen in almost all the government departments - both on central and state level.

2nd Elets India Transformation Summit will deliberate upon such resilience by our Government & will also explore inter departmental best practices and initiatives to steer the transformation of India into a global superpower. Some of the key themes for discussion would be IT & eGovernance, Smart Cities, Urban Development, Housing, Industries & MSME, Energy, Transport, Health, Water & Sanitation, GIS & Remote Sensing etc.

In this context, I invite you to grace the **2nd Elets India Transformation Summit & Awards** as a **KEY SPEAKER** & share your rich insight into the subject.

I also request you to submit your nomination for '**Elets Innovations Awards**' which will be conferred during the summit. The nominations can be done at (<https://eletsonline.com/transformation/>).

We also request you to support the event and allow us to use the logo of your esteemed organization the Supporting Partner - without any financial obligation. It shall add tremendous value to the event

I shall look forward to your kind confirmation.

Thanks and Regards,

Dr. Ravi Gupta
