Greetings of the day!

We are delighted to invite you as our Chief Guest & KeyNote Speaker: International e-Conference: 02 July 2021. This is in line with our mission to promote the cause & knowledge of sustainability & CSR.

This seminar is a part of the 'knowledge@CASI' series where we encourage industry professionals to share their knowledge with academicians, industry professionals & students at no cost. In this stressful time, we have shifted from on campus seminars to online. Entire conference proceedings will be telecast LIVE on our YouTube channel (CASI GLOBAL NEW YORK).

Additionally, Research Scholars (Ph.D students) are invited to present their research papers.

We look forward to receiving your positive response and join us in this Round Table Conference. Once you confirm, we will share the schedule / itinerary with you.

Since we have panel members from different corners of the globe, we have tried to keep a time suited to most time zones;

New York (ET)	UK	Ghana	Russia	India (IST)
9.30 am	2.30 pm	1.30 pm	4.30 pm	7.00 pm

Please drop in a line to confirm your participation. I am sure our participants will benefit from your rich experience and are eager to listen to your **KeyNote Speech**.
