Subject – Invitation letter for Safarnama

Respected Sir,

Gurukul Dream Foundation is on a mission of empowering and developing the skills of today's youth by providing them the practical exposure of various fields.

We organize **Safarnama – A series of inspiring stories**, it is an online session where we invite different personalities to share their life stories so that they can inspire and guide youth on how they can proceed on a particular career path.

We would like to invite you as our **Guest Speaker** in **Safarnama**. It will be a **live online session** on **YouTube** on **6th February 7 pm**. We really expect to learn from you. Your thoughts and experience would enable our audience to gain knowledge from your expertise.

Kindly confirm your acceptance for the session. However, if you are not available on the mentioned date, we are flexible to make changes in schedule to accommodate your availabilities.

Thanks and Regards,

Akash Barua
Founder & President
Gurukul Dream Foundation
