Respected Sir,

“Year 2020 has been a year full of challenges, losses, and opportunities but one thing which got firmly established is that **Science and Innovation** are the only tools which can lead the entire mankind forward to a better future”

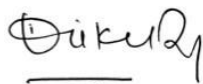

Startup Incubation and Innovation Centre, IIT Kanpur is back with Abhivyakti- an annual showcase event celebrating the greatest innovations brewed by the startups at SIIC IIT Kanpur. Abhivyakti 2020 is special as SIIC IITK marks its 20 years of existence and we are going completely virtual this year.

SIIC IIT Kanpur is delighted to invite you as the speaker for **Confabulation, the panel discussion**, on **18th Dec** from at Abhivyakti 2020 being organized on 16, 17, and 18th December 2020. The event aims at exhibiting the ever-growing and evolving incubation ecosystem established by SIIC IITK in the last 20 years. This unique 3 days event has been curated with interesting sessions like Tech Talks, confabulations, round table session, and keynote address featuring reputed Venture Capitalists, Angel Investors, Corporate Leaders, Government Officials from various state and central government departments. Our current portfolio with 100+ startups and innovators will be accessible at their virtual booths.
